- COUNTRY HOMES POWER EQUIPMENT

DIVISION ST
STAY IN LEFT LANE

Do not cross east of Division Street.
When traveling north on Division Street, be aware that the right lane will merge directly into Hwy 2. Watch for Hwy 2 signs and stay in left (Hwy 395 North) lane.

ON THE RETURN TRIP
After crossing the river, while travelling south on Ash St., the first set of airport signs will direct you a much slower business airport route. Continuing on to the I90 is much faster.

Maple Street is the quickest route North through Spokane.

Division Street will take you North through Spokane's main business and shopping district.
